Parameter	Random Study	Strategic Study
Daily Hours	10–12 hrs (exhausted)	6–8 hrs (focused) Better
Subject Priority	Reads what feels comfortable	Focuses on high-weightage areas Smart
Mock Tests	Attempts many, reviews none Wasteful	Attempts fewer, analyses deeply
GK Preparation	Reads everything randomly	Curated daily reading + notes Efficient
Revision	Only before exam Too Late	Weekly, built into schedule
Result	Burnout + Failure	Consistent Improvement Wins
